

REL-WSC Commercial Grade Chrome Wire Shelving

Easy to assemble — no tools required

Chrome Wire Shelving Units are a simple, stylish and durable storage system that offer a contemporary open wire design for ventilation and minimal dust collection. Choose between one shelf, two shelf, three shelf, and four shelf chrome wire shelving units to add style and organization to your walk in freezer or storage space.

- Durable hard chrome finish for brilliant high gloss appeal
- Ideal for display and dry applications
- 1" increments on posts for easy adjustments
- Capacity 400 – 600 lbs. per shelf (depending on length)
- Meets commercial food service weight capacity standards
- Optional 5" swivel casters with brakes fit on legs
- Single shelves available in a variety of lengths and widths
- Easy to assemble — no tools required
- Commercial wire shelving is NSF certified
