FULL SIZE DECK OVENS

The Sierra SRPO gas pizza and bake ovens feature a single deck that will always provide you with the perfect crust and a perfect bake. These ovens have a complete stainless steel exterior that is not only durable and resilient, it is easy to maintain and corrosion resistant. The doors of the Sierra SRPO deck ovens are insulated and spring-loaded. The doors of our ovens have proven the test of time. Each oven chamber features one Fibra-ment stone[®] with a 7" deck height and independently controlled top heat dampers for the most perfect results. These deck ovens achieve maximum heat while using less energy, and much quicker recovery times between uses. Choose from three widths: 48", 60" & 72", and ovens may be stacked. Inside depths are 36".
